Dear Mr. Leblanc:

Thank you for your letter dated November 7, 2023 regarding the gravel portion of the Second Division Road between Saulnierville Road and Maza Road.

We continue to evaluate roads for future highway improvements. At this time, we are not upgrading gravel roads to chip seal. I have asked local staff to continue to monitor the condition of Second Division Road and carry out maintenance as required.

If you have any further concerns, please contact me at pamela.mehlman-shand@novascotia.ca or 902-742-2416.

Sincerely,

Pamela Mehlman-Shand, CET
