Dear M Cyr

Please find enclosed a copy of the cancelled cheque along with the paid invoice for the new gang mowers. We are applying for the reimbursement of \$5000.00 which was approved by Council on April 15, 2020.

On behalf of the Board, staff, and members, we would like to take this time to thank the municipality for the support they give to our nonprofit golf course. We certainly appreciate all your support.

Sincerely,

A handwritten signature in black ink that reads "Claude Comeau".
