Hi Stephane,  
would it possible to make a request for us at your next Board Meeting. My Board of Directors and myself would really appreciate if a member the Municipality of Clare could come become a Director on our Board of Directors. We presently have George Manzer representing the Municipality of Digby on board. It would be nice to also have someone from Clare. Le Transport de Clare Society's mission is to serve all of Digby County residents in all their transportation needs. We feel that having a member from Clare would help promote, inform and update all our services to the Municipality of Clare. We strongly feel that with this partnership we could help more people in our community. Below is a list of all members of our Board of Directors. Please feel free to contact me for any questions or concerns you may have on this subject. Thank you and have a great weekend.
